

## CAPABILITY STATEMENT

### Introduction

Vet IT LLC is a Veteran Owned Small Business that has 15 years of experience as a Value Added Reseller. I have developed many strategic partnerships over the years to provide the right solution for your organization. Our goal is to make sure your experience with us is so good that you will demand the same experience from all of your vendors.

### Core Competencies

Peripherals, Desktops, Laptops, Networking, Security, Servers, Storage, Power, and Software. Most organizations have different platforms for all of the categories above. We provide a total solution and work with all manufacturers to include HP, Dell, Microsoft, IBM, Lenovo, APC and many more.

Cage Code: TFCA9

Duns: 079934255

Tin: 47-3602321

### Differentiators

Accountability, Dependability and Service are our biggest advantages over our competition. These traits are the backbone of Vet IT. Our goal is to get your project done on time and on budget. I am dedicated to ensuring every aspect of your project goes smoothly and causes you no stress from the vendor portion of your project.
